Ed Nichols “Skanda” has been practicing Babaji's Kriya Yoga since 1998. Inspired by Yogananda's Autobiography of a Yogi, Skanda was initiated into Babaji's Kriya Yoga by M.G. Satchidananda in 1998. Shortly after receiving the second initiation in 1999 and while in his senior year studying Biology at the University of Colorado @ Boulder, Skanda traveled to Brazil to celebrate the transition into the new millennium. While there, he became fascinated with the Amazonian superfruit açai and subsequently co-founded SAMBAZON, a company well recognized for its unique model of market driven conservation and social responsibility. **Skanda feels “the degree to which one surrenders to the divine is directly proportional to how beautiful one's life unfolds”.** He looks forward to helping each and every sincere seeker unlock their utmost potential through the grace of Babaji's Kriya Yoga.
